

Advanced Deep Learning Methods for Medical Image Analysis

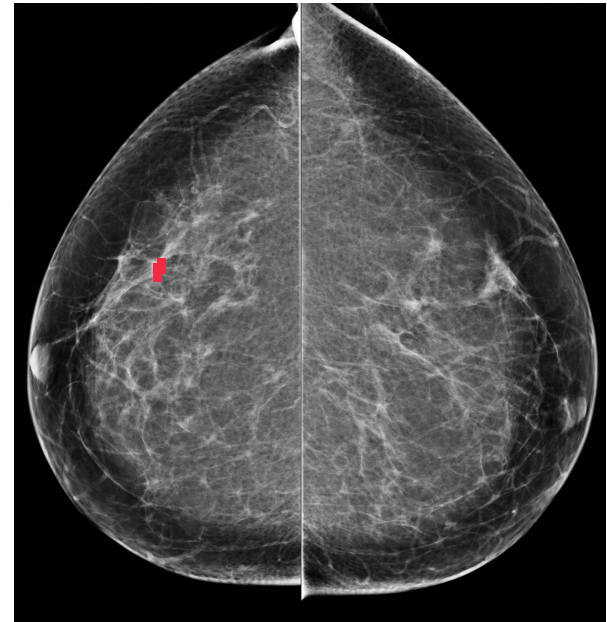

BVM 2018 Tutorial

Paul F. Jaeger, Fabian Isensee, Jakob Wasserthal, Jens Petersen, David Zimmerer, Klaus Maier-Hein

Division of Medical Image Computing, German Cancer Research Center

Challenges in Medical Image Analysis

- Small data sets
- Large Images
- Volumetric Images
- Noisy Data
- Noisy Annotations
- Unlabelled data
- Data from different scanners

Slides will be available online
